See more with AT&T video call

One-touch video calling built into your smartphone, no app to download, no separate account to configure, and no password to enter.

- Simply tap **Video Call** on the dialer or in your contacts.
- Switch between HD voice and video at any time during a call.

For more info, visit att.com/videoall

Wireless PowerShare

Wirelessly charge compatible devices right from your phone.

1. Drag the Status bar down to display the Notification panel.
2. Touch and drag  to access all Quick Settings options.
3. Tap **Wireless PowerShare** .
4. With your phone face down, place the compatible device on the back of your phone to charge.

Wireless PowerShare works with most Qi-certified devices. Requires minimum 30% battery to share. Speed and power efficiency of charge varies by device. May not work with some accessories, covers, or other manufacturer's devices. If you have trouble connecting or charging is slow, remove any cover from each device. May affect call reception or data services, depending on your network environment.

Galaxy Buds

- Pair Samsung Galaxy Buds with your Galaxy Fold and go.
- With sound by AKG, Samsung Galaxy Buds provide a balanced and natural sound with superb dynamic range.
- Connect your buds using the **Galaxy Wearable** app .
- Once connected, use the app to view connection status, battery percentages, manage notifications, and customize various settings.

Connect to your device

Open the charging case to enter Bluetooth® pairing mode.

When prompted by the app, tap **Connect** and follow the prompts to complete pairing.

Charge your device

Insert the buds into the charging case and close.

The buds and the charging case are charged simultaneously.

You can also charge the buds and charging case using a wireless charger.
